Education

Dharmsinh Desai University

Bachelor of Technology, Computer Engineering | CGPA : 8.99 / 10.0

Nadiad, Gujarat

2022 – 2026

Sanidhya school of science

HSC (Science PCM) | Percentile : 97.76%

Gariyadhar, Gujarat

2020 – 2022

PROJECTS

SpritesheetManagement System

Technology Used: Java , SpringBoot(REST API),Django(Frontend),Mysql

[Github](#)

- * Developed a spritesheet management service enabling 2D game developers to upload, group, and manage spritesheets under projects. Implemented automated Quad calculation for efficient animation and map generation.

Accounting & Company Management Software

Technology Used:Django+python,Html,JavaScript

[Github](#)

- * Developed a comprehensive software solution for managing company finances, including sales, purchases, inventory, and employee records. Implemented features for bill generation, ensuring efficient financial analysis and management.

TECHNICAL SKILLS

Core Skills: DSA , Problem Solving , Competitive Programming , DBMS ,OOP, OS , Software Engineering

Programming Languages: Java , C++ , Javascript,Python

Database: MySQL , MongoDB

Web & Software Development: Django ,Spring Boot REST API , Node

Tools: Git - Github , Postman

ACHIEVEMENTS

Codechef | **2 star (1522 Max):** Achieved Global rank 270 in Starters 137

Leetcode | **250+** problems solved on leetcode and receiving the

GFG | **200+** problems solved on GFG

Hackathons: DUHacks 2.0 (Nadiad) , Odoo Combat(Gandhinagar)
